

K. P. FREDERICK, Editor  
HUGH HARLAN, Manager

113 Stimson Bldg.

To Radio Club Presidents:

We are particularly anxious to have your Club represented in RADIO JOURNAL'S Club Department. We believe that the activities of your organization should be an inspiration and help to similar organizations being formed elsewhere.

Won't you send us a brief news item each month about your organization?-- fifty words will do-- or send us more if you have had a particularly interesting meeting or have done something unusual.

We will be glad to put you, or whoever you delegate to send us such items, on our mailing list to receive a copy of RADIO JOURNAL free each month.

Start in this month by sending us a brief history of your organization,-- when formed, who are its officers, when does it meet, etc. Fill in the form below and mail it with your first news item. We will put the correspondent on the list at once.

Yours for a greater radio,

RADIO JOURNAL

P.S.-Our special subscription rate for Radio Club members in clubs of ten is \$1.50 per year. Why not send in ten?
